Commissioner for Patents

Alexandria, VA 22313-1450

Sir:

We gratefully acknowledge the "Notice of Allowance" mailed on 24 September 2008. Internally at Thomson Licensing LLC, as a measure of quality control and prior to paying the Issue Fee on an allowable case, we check all the corresponding related applications worldwide and make sure that any documents cited elsewhere in the world were properly cited in the USPTO with an IDS Statement(s) during prosecution. Unfortunately, in this instance, one of the references cited in a British Communication (from 14 April 2004) slipped by us undetected, and therefore we wish to file this RCE in order to report the references cited by that Communication with an IDS Statement. Applicants assert that none of the references currently or formerly cited, alone or in combination, disclose the claimed invention nor make it obvious. Therefore, Applicants respectfully request consideration of the new references and allowance of the application.
